STAT

In the absence of Mr. Dulles from the City, I am replying to your letter of 24 March 1955 with which you enclosed a letter and Resolution from the Mayor of Alexandria regarding the location of the proposed Central Intelligence Agency building.

I have referred this correspondence to Mr. L. K. White, who is our Deputy Director handling this matter, so that this proposal may be considered with the many others under study. We are still in the planning stage in regard to a new building, and no definite site has as yet been decided upon.

We sincerely appreciate the invitation of the Mayor and City Council to locate in Alexandria. Thank you for bringing this matter to our attention.

With kindest regards.

Sincerely,
